WELCOME TO LAUREL HEIGHTS HOME OF THE HURRICANES

CLASS OF 2031
WELCOME TO GRADE 8 NIGHT!
OPEN HOUSE - 5:30 to 7:30pm

Thanks for joining us tonight! This evening's event is structured as a self-guided open house! You're invited to explore the school, meet with many of our grade 9 teachers and learn about the exciting courses Laurel Heights offers in grade 9 and beyond - including our core subjects and electives!

Our open house is a wonderful chance to connect with subject teachers and learn about the many great opportunities that await our future grade 9 students. Make sure you drop by each subject area to help inform your decisions about which electives to take next year.

To help with your exploration, please refer to the school map on the reverse side of this sheet.

HIGH SCHOOL TRANSITION / INFO SESSIONS
5:30 & 6:30pm

LHSS guidance, administration student leaders are hosting 2 general information sessions in our cafeteria (same info at each session). These sessions will cover a range of topics, including preparing for high school, student life at LHSS and more! Doors will close for each session 5 minutes after the session starts, so please plan to be on time. **If you can't make the 5:30pm session, please join us at 6:30!**

HURRICANE STUDENT LEADERS & STAFF

If you have any questions or need help with directions during our event, please ask staff or student leaders. A number of our student volunteers speak multiple languages as indicated on their name tags, so feel welcome to ask questions and learn about their personal experiences at Laurel Heights.

FAST FORWARD MAGNET PROGRAM SESSION
6:00pm - LHSS Library

Fast Forward is a unique diploma granting program (OSSD) focusing on preparing students for the workplace while helping them develop skills necessary for success in a work environment: literacy, numeracy, employability, and learning skills.

Please join us in the library at 6:00pm to learn more about our program and its potential suitability for your student.
