## LAUREL HEIGHTS SECONDARY SCHOOL

### GRADE 9-12

# COURSE CALENDAR

- This booklet provides an updated listing of all grade 9-12 courses offered at LHSS, along with resources to assist with course selections and planning.
- Please refer to the WRDSB Common Course Calendar and/or LHSS website (<http://jam.wrdsb.ca>) for more detailed information, including course descriptions and prerequisites.
- Students are required to maintain FULL TIME status throughout the school year (min. 3 courses/semester). Grade 9 and 10 students must choose 8 courses for school year (4 courses/semester) - spare periods not permitted until grade 11.
- Make sure to research and choose your courses/academic levels carefully. Course changes at the start of each semester may not be possible. You should speak with your guidance counsellor, parents and teachers when making course selections and developing your pathways plan.
- **\*NOTE—students starting grade 9 in 2021 or later are required to complete 2 elearning credits for graduation unless opted out (more details coming soon).**

# COURSE SELECTION INFORMATION & RESOURCES

## PATHWAYS PLANNING TIPS

Make careful choices when determining course levels as these may impact post-secondary options:

- De-streamed grade 9/10 courses (math & science) allow for college or university pathway in future grades.
- Academic gr. 9 & 10 courses can lead to either U (university), M (mixed) or C (college) level courses in grades 11 & 12.
- Students should research potential destinations/requirements for programs (including grade 12 courses) when choosing courses from grade to grade. Work backwards from those requirements to assist with planning.
- Make course selections VERY carefully. As LHSS is a growing school, we have many full classes and making changes to courses after the start of a new semester can be extremely difficult.

## MYWAY COURSE SELECTIONS

- At the start of second semester, students will use the MyWay site to select their courses for the following school year.
- Visit [MYWAY.WRDSB.CA](http://MYWAY.WRDSB.CA) or use the link on the LHSS homepage ([JAM.WRDSB.CA](http://JAM.WRDSB.CA)).
- Use your school account username and password.
- Click on COURSE REQUESTS. Select student destination (should be “I will be returning to this School Board” if you are returning to LHSS next year).
- Make sure to select the appropriate grade level for your courses. Select your courses from the drop-down menu (recommend entering compulsory courses first). After each selection, click ADD COURSE (will see it appear in list below).
- After entering all your courses (compulsory and elective), you are strongly recommended to select 2 alternate courses. These are used as replacements should course choices get cancelled or conflict with other classes once timetabling starts. Make sure these are classes you would be willing to take next year!
- Once you’ve completed all your selections, click PRINT FRIENDLY VERSION. On the next screen, print out 2 copies of your selections. One copy must be signed and handed in to guidance on course selection collection day. Keep the other copy for your records.
- HELPFUL TIP—please provide any relevant course request information on your printed course selections (such as planned summer school courses, separating certain classes, etc). This information is helpful when your guidance counsellor is finalizing your timetable. ***Students should not use this printout to request specific teachers or to map out your entire timetable.***
- Students will have a limited window of time to make changes to course requests before timetabling begins.

## ONLINE RESEARCH/RESOURCES

When planning your Laurel Heights courses and potential post-secondary destinations, there are a number of useful online resources to help you get started:

- LHSS COURSE DESCRIPTIONS & RESOURCES:
  - [jam.wrdsb.ca/guidance/course-selections/](http://jam.wrdsb.ca/guidance/course-selections/)
- ONTARIO UNIVERSITIES:

All WRDSB students have access to an amazing online resource to help you with your individual pathways plan (IPP). MyBlueprint gives students the opportunity to:

- Discover “WHO AM I?” by completing a series of informative online surveys/activities.
- Develop secondary course plans to assist with post-secondary goals and map out course selections each year.
- Track your progress towards graduation.
- Create an online portfolio of personal work/achievements and more.
- Build your own resume to prepare for future work.
- Research and connect to up-to-date post-secondary opportunities (university, college, apprenticeships, workplace).
- Earn points as you complete tasks unique to your grade – use points to enter draws for gift cards and more through MyBlueprint.

## To access MyBlueprint, visit [MYBLUEPRINT.CA/WRDSB](http://MYBLUEPRINT.CA/WRDSB)

- Click SCHOOL ACCOUNT LOGIN (may need to enter school username/password if not using school Chromebook).
- Check out the assigned tasks, such as completing your HIGH SCHOOL PLAN or WHO AM I? surveys.
- Use this site as a helpful partner to MyWay when choosing your courses.

## SPECIAL PROGRAMS AT LAUREL HEIGHTS SECONDARY SCHOOL

### ADVANCED PLACEMENT (Pre-AP)

The Pre-AP and AP courses are a powerful opportunity to help students acquire the knowledge, concepts, and skills needed to engage in a higher level of learning.

Pre-AP/AP extends the current curriculum and enriches specific learning outcomes. Enrolling in Pre-AP courses prepares students for success in senior Advanced Placement (AP) courses. Evaluation is based on the regular academic/university level Ontario curriculum.

Students wishing to take Pre-AP/AP courses need to select the regular Academic/University level course in My Way and complete an online application (available on the SJAM website). Students will then have their academic history reviewed for approval by the Selection Committee for each Pre-AP/AP course selected and students will be placed in the appropriate courses following this process.

**Please visit the LHSS website for further information regarding our pre-AP/AP course offerings and how to apply.**

### SPECIALIST HIGH SKILLS MAJOR

The Specialist High Skills Major (SHSM) program allows students to explore their interest in one of three areas through expanded course offerings and experiences:

- **ARTS & CULTURE (Music, Drama and/or Visual Art)**
- **BUSINESS**
- **INFORMATION & COMMUNICATION TECHNOLOGY**

SHSM's are recognized by universities and colleges throughout Ontario. Students choose a set of grade 11 & 12 courses, earn certifications and specialized training, and take part in experiential learning activities specific to each specialist program. This also includes Co-op and other career-related experiences in specialist areas which will assist students with post-secondary and career planning.

For more information and specific course selection options for the SHSM, please speak with department teachers or refer to SHSM brochures. More information is available on the LHSS website and in the Guidance Department.
